Dear Ms Copeland:

Arrangements have been made for the Department to hold a Combined Public Officials/Public Informational Meeting to present the design of the initial 11238L contract that constructs the new Little Bay Bridge, Spaulding Turnpike approach work and Hilton Drive improvements. The meeting will also discuss emergency access issues, Wentworth Terrace access restrictions and present an alternate roundabout design for the intersection of US Route 4/Boston Harbor Road/Spur Road as part of the future Newington-Dover construction contract.

The meeting is scheduled for Tuesday, March 16, 2010 at 7:00 PM at the Dover City Hall Council Chambers, 288 Central Avenue, Dover, New Hampshire.

The purpose of this meeting is to present citizens and public officials with information regarding the proposed project and to solicit public input in order to ensure that project decisions meet public transportation needs, community goals, and protect and enhance the environment. Accordingly, NHDOT assures that this project will be administered according to the requirements of Title VI of the Civil Rights Act of 1964 and all related statutes to ensure nondiscrimination.
